## PROMOTIONAL ITEMS FROM JADE TRADING

Dear Beverage Professional

JADE has today a machine inventory larger than ever. We have been selected by various large and small beverage companies to be their partner in their asset recovery projects. We are very proud and thankful for this trust on us! If you are looking for any kind of beverage equipment, it is high time to check our web page [www.indmachinery.com](http://www.indmachinery.com) (or [www.beerequipment.ru](http://www.beerequipment.ru) for Russian speaking customers) for more detailed inventory. In this news letter we can only high light some of them. Hoping to hear from you!

JADE will participate in food and beverage technology Africa show in March and you are welcome to visit us:
